NOTICE OF PUBLIC HEARING
SECOND REVISION
(Change of Hearing Start Time)

Concerning

CONSIDERATION OF AN ADMINISTRATIVE CIVIL LIABILITY

Concerning

C. GEOFFREY AND CHRISTINE DAVIS, HANS AND MARGARET COFFENG,
AND PACIFIC BUILT, INC.

Placer County

The California Regional Water Quality Control Board, Lahontan Region
(hereafter Lahontan Water Board), will hold a hearing on the above matter during
its regular meeting on May 11-12, 2006.

IMPORTANT: WRITTEN SUBMISSIONS ARE DUE APRIL 11, 2006.
RESPONSES TO COMMENTS FROM WRITTEN SUBMISSIONS ARE DUE
APRIL 21, 2006. INTERESTED PARTY SUBMISSIONS ARE DUE APRIL 21,
2006.

The Assistant Executive Officer of the California Regional Water Quality Control Board, Lahontan Region issued a Complaint for Administrative Civil Liability in the amount of \$700,000 to C. Geoffrey and Christine Davis, Hans and Margaret Coffeng, and Pacific Built, Inc. The Administrative Civil Liability Complaint alleges that on July 19, 2005, Pacific Built, Inc., a contractor hired by Hans and Margaret Coffeng and C. Geoffrey and Christine Davis to construct a multiple use pier, punctured a 14-inch sewer force main while driving a pile for pier support. The Administrative Civil Liability Complaint also alleges that a minimum of 120,000 gallons of untreated wastewater was discharged into Lake Tahoe.

The parties named in the Complaint have not waived their right to a hearing. The Lahontan Water Board will be asked whether to issue an administrative civil liability to C. Geoffrey and Christine Davis, Hans and Margaret Coffeng, and/or Pacific Built, Inc. in the amount of \$700,000, some different amount, or to reject any proposed order. The Lahontan Water Board may consider assessing liability in different amounts for each party after considering the factors in Water Code

section 13327, including ability to pay, the effect on the ability to continue business, any voluntary cleanup efforts undertaken, any prior history of violations, the degree of culpability, and economic benefit, if any.

TIME

A **formal** public hearing concerning this matter will be held during the Lahontan Water Board meeting, which is scheduled for:

DATE: May 11-12, 2006
TIME: 9:30 a.m. (on May 11, 2006)
PLACE: North Tahoe Conference Center
8318 North Lake Blvd.
Kings Beach, CA 96143

An agenda announcement for this meeting will be available by April 24, 2006. This announcement will provide more specific information about date and time of this hearing. The announcement will be sent to all designated and known interested parties and will be available at:
<http://www.waterboards.ca.gov/lahontan>.

DESIGNATED PARTIES

Designated Parties are as follows:

- Lahontan Water Board Staff
- C. Geoffrey and Christine Davis & Hans and Margaret Coffeng
- Pacific Built, Inc.

Only designated parties will have these rights: to call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses; to impeach any witness; to rebut the evidence against him or her.

CONDUCT OF HEARING

The procedures governing Lahontan Water Board meetings may be found in California Code of Regulations, title 23, section 648 et seq. Hearings before the Lahontan Water Board are not conducted pursuant to Government Code section 11500 et seq. The procedures may be obtained by accessing http://www.waterboards.ca.gov/water_laws/. Information on meeting and hearing procedures is also available by contacting Ms. Laurie Applegate at (530) 542-5414.

All designated parties and interested persons may speak at the Lahontan Water Board meeting, and are expected to orally summarize their written submittals.

Each of the three designated parties will have **60 minutes** to summarize direct and rebuttal testimony and other evidence submitted in advance and to cross-

examine other Party's witnesses. Each designated party may allocate their allotted minutes as they choose, as long as they do not exceed the total allocation. An additional **five (5) minutes** will be provided for each designated party for a closing statement.

Any witness who has submitted written testimony shall be present at the hearing to affirm their testimony under oath. (Cal. Code Regs., tit. 23, § 648.4, subd. (d).) If a person who has submitted testimony is not present, the Chair may refuse to admit the proposed testimony into evidence, and shall refuse to do so where there is a showing of prejudice to any party or the Lahontan Water Board, unless compliance would create a severe hardship or the Chair waives this requirement. A request to exclude direct testimony pursuant to this paragraph must be submitted to the Lahontan Water Board by 5:00 p.m. on **April 21, 2006**, if the direct testimony states that the witness will not be present. The Chair may also continue the hearing for the purpose of conducting cross-examination or Board questioning of the absent witness, accept the submission as hearsay evidence rather than witness testimony pursuant to Government Code section 11513, or waive the requirements of Government Code section 11513 pursuant to California Code of Regulations, title 23, section 648. Government Code section 11513 provides that hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but over timely objection shall not be sufficient in itself to support a finding. A hearsay objection is timely if made before the close of the hearing.

There may be one or more breaks at the discretion of the Chair.

SUBMISSION OF WRITTEN MATERIALS

Designated parties must submit (see next section for instructions) to the Lahontan Water Board and to all other designated parties, written copies of all technical reports, testimony, and other evidentiary material concerning this issue by **5:00 p.m. on April 11, 2006**. This written material will be made available to the Lahontan Water Board members and all interested persons.

Designated parties may also submit any technical reports, testimony, and other evidentiary material in response to any technical reports, testimony, and other evidentiary material that were initially submitted on April 11, 2006. The deadline to submit any responses to comments is **5:00 p.m. on April 21, 2006**. This submittal must be sent to the Lahontan Water Board and all designated parties. This deadline does not preclude the ability to present rebuttal testimony at the hearing. (Cal. Code Regs., tit. 23, § 648.4, subd. (f).) However, it is the policy of the State and Regional Boards to discourage the introduction of surprise testimony and exhibits. (Cal. Code Regs., tit. 23, § 648.4, subd. (a).)

Written material received from the designated parties after the April 11, 2006 or April 21, 2006 deadlines will not be accepted, except at the discretion of the Chair. Untimely written material will not be accepted or incorporated into the administrative record if doing so would prejudice any designated party. The Chair

may choose to modify this rule upon a showing of severe hardship. (Cal. Code Regs., tit. 23, §§ 648.1 & 648.4.) Any person seeking to submit late evidence must justify why the evidence could not have been submitted earlier.

All designated parties intending to present witnesses at the hearing must submit written statements to the Lahontan Water Board, with a copy to all designated parties, by **5:00 p.m. on April 11, 2006**. The statements should provide the name of each witness whom the party intends to call at the hearing, their qualifications (if they will appear as an expert), and the subject of their intended testimony. (Cal. Code Regs., tit. 23, § 648.4, subd. (b).) Testimony at the above-scheduled hearing may summarize or explain timely submitted or late-accepted evidence, but shall not add new evidence.
